

I have enjoyed not being interrupted at all hours of the day and night since being on the no-call list. I was tired of being harrassed by telemarketers and organizations who wouldn't take "no" for an answer and kept calling week after week. I seriously hope that Governor Doyle does not allow the banks to make loop holes for everyone else to start calling again. If I want a company's product or services, I will contact them. They do not need to call me at home. Please keep the no call list the way it is now. Thank you.
